READ-A-THON

The **Sixth Grade** is hoping to offer your child the educational experience of one or more field trips this year. To offset expenses we are planning a READ-A-THON. This fund-raiser will reduce the per-student cost for our field trips. We will be reading for 100 minutes on **Friday, February 24**.

With your support, we suggest your child acquire pledges in dollar increments. All donations should be collected and returned to school by the day of the read-a thon.

Please remind your child to have a few independent reading books on Friday, February 24. On that day students may bring a pillow to make themselves comfortable on a chair or on the floor.

The ***pledge sheet*** and ***pledges*** are due by **Friday, February 24**. Please make checks be made payable to the Milford Middle School.

Thank you for your support.
