

MMS Recycling Club Update

This year MMS is recycling even more than ever. We are now a Zero-Sort Recycling school. This means all types of **Recyclables** can go in the blue bins around our school so we are recycling more and putting less in landfills!

Here at MMS we are also collecting many trash items and **Earning Money** by doing it (through a company called **Terracycle**)!

We collect:

Scotch Tape
Dispenser & Core

Candy Wrappers
Mars Brand

Cookie Wrappers
Snack & Family Size

Yogurt Cups
Wide Mouthed
6 oz. & 32 oz.
Cleaned

Juice Pouches

We get \$.02 - \$.05 for each "clean" item we send in!! Drop off places are outside the office, in the new bin in the cafeteria, and in Mrs. V-P's room!

Lastly we will be celebrating **NH Recycles Day, Monday Nov. 15th**, by doing trash and recycling related activities with student groups in our library during the day. We need several trash items for these activities and are **asking students to bring** as many of the following items to their homeroom teachers from Monday, Nov. 1st through Friday Nov. 12th:

Cereal Boxes

Soda Can Tabs

Egg Cartons

Tissue Box

Paper Tubes

We will see which homeroom can bring in the most and they will get a prize for being the top recycling homeroom! Good luck to all!!

As always any questions, ideas, etc. can be directed to Mrs. Varney-Parker at: dvarney-parker@sau40.com
