Student fees, grants, fundraising, and donations support Milford Middle School Enrichment and Extended Day Programs. Under the direction of the Community Advisory Board, the Parent Steering Committee, and the Student Steering Committee, it offers varied educational opportunities to MMS students. The goal of this program is to provide interesting and fun after-school options for students.

## About the Courses

**PCP-Parent Contact Programs-** if your students does not arrive a **P**arent is **C**ontacted by the **P**rogram.

Milford Middle School Enrichment courses are held from 2:08-3:45 PM Mondays through Fridays — a different course being offered each of these days. The courses generally run for a total of **6 weeks** and generally **cost \$35\* per course plus materials fees**, (\*see Sliding Fee section for scholarship information). **There is a nominal \$10 fee for Service Courses to cover transportation and/or materials.** Students can also sign up for **full time 5 days/wk Enrichment for \$30\*/wk per student.** To insure individual attention and maintain cost effectiveness, classes consist of between 6 and 15 students. Transportation to off-site courses is by school bus or parent volunteers, consistent with district policy.

### What happens after 3:45?

Students can take the late bus, get picked up or walk home or ...stay until 5:45 PM. Students may participate in the Extended Day Program which follows Enrichment every school day. The students have a program-provided snack followed by proctored homework time, then either indoor activities or supervised outdoor time. The cost from 2:08-5:45 which includes Enrichment fees: **Full-time 5 days/wk is \$50/week per student, Part-time is \$12/day.**

### Where Do the Students Meet?

Students are to report promptly to the cafeteria at the end of the day with all of their personal belongings (coats, books, etc.). Snacks may be brought to the Program. Snacks will be sold on Tuesdays and Thursday. The school store may be open.

*If a student will be in school on a program day, but will not be attending the Program, please notify the Main Office.*

### What else can we do?

Un-School Program is offered to both elementary and middle school students on scheduled delayed openings. Registration forms in the office.

Big Brothers/ Big Sisters is open to all students who could benefit from a high school mentor. Pairs of students meet at MMS afterschool at a mutually convenient time. Please contact the program for more information.

**Late Bus:** For those students needing transportation home, a no-fee late bus runs Monday through Thursday. Students involved in any afterschool activity (except detention) may use the late bus. Last stop is at about 4:45 PM.
